John MacArthur’s Books Published in Mainland China

The following report came from TMS Grad Mark Borisuk (M.Div 02, Th.M in process) who is a missionary in Mainland China.

"John MacArthur’s books have been translated and published around the world. However, until a few months ago, except for the occasional books brought in from Hong Kong or Taiwan, Mainland China, with its 20% of the world’s population, did not have access to any of his works. We are excited to let you know that two of John’s books have been translated and legally published in Mainland China: The Book on Leadership and The Miracle of Christmas. Our plan is to give The Book on Leadership to 100’s of pastors in Mainland China. The first printing of 6000 copies of The Miracle of Christmas, were all preordered and sold before the book left the printing press in early December. Praise the Lord for these new opportunities to impact the growing church in China with much needed Biblical materials."

Please pray with us that God would raise up more men from TMS who would see the potential of a life given to missions in China.

Yours for the Master,

Bob White
