Two TMS Grads Plant Church in Central London

Tom Drion (M.Div.’11) and Ross Orgill (B.Th.’11) have begun a new church plant called GraceLife London. It is a new church initiative in Central London committed to the reality that God gives us 'all that we need for life and godliness' through knowing Him.

Currently, there is a core group of about 30 believers who are going through Foundations of the Faith, a 13-lesson course, exploring the foundational teachings of Christianity, along with a lunchtime Bible study for business people, and an "Inductive" Bible Study. Worship services of GraceLife London are Sunday nights.

Tom and Ross are reaching out to the local community by handing out tracts with their information and through preaching the gospel. They have had a wonderful response with 27 attendees at a recent Open House.
