As we recently celebrated Independence Day on July 4th, we were reminded of the brave men and women of our armed services who defend our freedom. In an effort to reach this specific mission field with the gospel of Christ, TMS alum, Bill Haney (M.Div.’08), along with his wife, Anne, serve faithfully with Missions to Military. Bill serves in Atlantic Beach, Florida, ministering to the Atlantic Fleet of the United States Navy.

Recently, they shared of their experience with a young naval officer and his wife who had recently been promoted to lieutenant (jg). Bill and Anne have poured themselves into discipling this couple who in turn are being used of the Lord to reach others for the Gospel, both at sea and ashore. We praise the Lord for Bill’s ministry, carrying out 2 Timothy 2:2, training “faithful men who will be able to teach others also.”

Expectantly,

Richard Mayhue, Th.D.
Executive Vice President and Dean
