"Ask the President" Debuts

In a new addition to the TMS website, John MacArthur responds to key doctrinal questions, giving the essentials in just a few minutes each.

Currently, the following questions are answered:

1. How does God's sovereignty and man's responsibility work together in salvation?
2. Why do you believe that babies or young children go to heaven at death?
3. Why are you a cessationist?
4. Why do you put such a high importance on the local church?
5. Why do you use a "literal" hermeneutic to interpret Scripture?
6. Why do you believe in an "early" earth?
7. What are the essential elements of the Gospel?

Please check out this new feature. Then, you’re welcome to return periodically as more questions/answers are added in the weeks and months ahead.

Expectantly,

Richard Mayhue, Th.D.
Executive Vice President and Dean
