

BIBLIOGRAPHY OF WORKS ON OPEN THEISM

Compiled by Dennis M. Swanson
Seminary Librarian

Earlier pages of this issue of *The Master's Seminary Journal* contain articles on Open Theism, a relative new field also known as openness theology and the openness of God. The following bibliography represents the collected research of the articles' authors and some additional sources that were discovered, but not cited in the articles. Its five sections are (1) Reference Works, (2) Systematic Theologies, (3) Monographs and Multi-Author Works, (4) Journal Articles, (5) Unpublished Materials. This listing is not exhaustive, but will serve as a foundation for readers desiring to pursue the study further.
