

BIBLIOGRAPHY OF WORKS ON CESSATIONISM

Compiled by Dennis M. Swanson
Seminary Librarian

The voluminous literature in the field of spiritual gifts has grown even more in recent years, especially in the area of new hermeneutical models proposed by charismatic scholars. This bibliography represents the collected research of contributors to this issue of *TMSJ* as well as some additional material not cited in those articles. It is not exhaustive but rather suggestive for those wishing to do additional study. Particular attention should be paid to the two extensive bibliographies by Charles Edwin Jones in the section on "Reference Works."

The bibliography is divided into five sections for easier reference. The sections are (1) Reference Works, (2) Systematic Theologies and Biblical Commentaries, (3) Monographs and Multi-Author Works, (4) Journal and Periodical Articles, and (5) Theses, Dissertations, and Unpublished Materials.
